

# THE CREEKS

AT PRESTON HOLLOW

## LAND *ready for* LUXURY

Seventeen one-plus acre wooded and creekside home sites grace the last twenty-two contiguous acres available in Preston Hollow. Tree-shaded privacy, winding creeks, and a gated and manned entrance elevate The Creeks at Preston Hollow to one of Texas's most distinctive addresses. Don't miss this rare opportunity – less than half remain – to become one of the fortunate few to call this exclusive enclave home.
